

[U series]

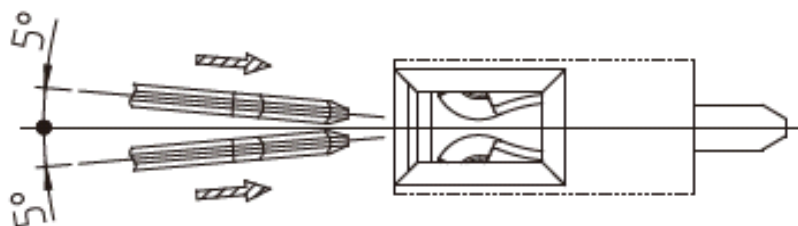

Two Piece Connector Guideline

■ Only compatible with appropriate Yokowo products.

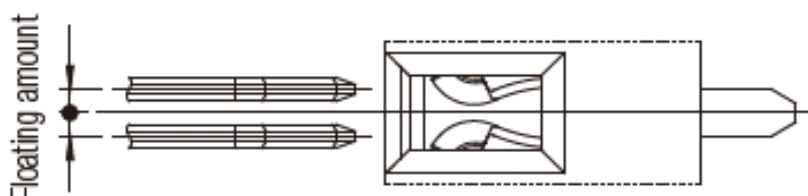

Type	Plug	Receptacle
Compact	TBP-1813T Series	TBR-2519T Series
Standard	TBP-4725F Series	TBR-6632F Series

■ How to mate with connectors

When connectors are mated, please insert plug at angle of 5° or less from female connector axis.

Please do not use beyond defined floating conditions. Interference of contact between housing and product can cause damage.

Type	Pitch	Floating Amount
Compact	2.5mm Pitch	Less than 0.3mm
Standard	3.0mm Pitch	Less than 0.5mm
